Plasters from Nature

## ABOUT

---

### ENG

Wonderstone, the ready-to-use cementfree natural mineral plaster for floors and walls.

Made from clay and quartz, it gives any surface the authenticity and strength of natural stone. It offers numerous possibilities for decorative finishes.

### FR

Wonderstone, l'enduit minéral naturel sans ciment, prêt à l'emploi pour sols et murs.

A base d'argile et de quartz, il donne à toute surface l'authenticité et la robustesse de la pierre naturelle. Il offre de nombreuses possibilités de finitions décoratives.

### NL

Wonderstone, de kant-en-klare natuurlijke, minerale en cement vrije pleister voor vloeren en muren. Op basis van klei en kwarts geeft het elke oppervlakte de authenticiteit en de robuustheid van natuursteen. Het biedt tal van mogelijkheden voor decoratieve afwerkingen
